

**INTERNATIONAL KNOWLEDGE TOUR : AFFORDABLE HOUSING IN INDIA,
CHALLENGES AND OPPORTUNITIES****20-24TH NOVEMBER, 2017**

Parallel to, and in combination with the Conference on INNOVATIONS in AFFORDABLE HOUSING (21-22 November), MyLiveableCity offers International professionals a unique opportunity to have an understanding of developments in Affordable Housing in India

The tour is meant for professionals like architects, builders, urban planners and academicians who want to have a broad understanding of the India's housing environment and its challenges and opportunities

The programme for this unique KNOWLEDGE TOUR will be as follows:

19th November (SUNDAY): Participants to fly into Mumbai (at their own cost and convenience).

Tour begins:

DAY 1: 20th November - A guided tour of the metropolis Mumbai to orient the participants on the scale of Mumbai and the issues regarding housing

DAY 2: 21st November - Attend first day of the Conference with plenary sessions (see conference programme alongside)

DAY 3: 22nd November - Attend second day of the Conference with Expert Sessions / Master Classes (see conference programme alongside)

DAY 4: 23rd November - Visits to Dharavi, the largest slum of the world, and to a slum-rehabilitation project, interaction and lecture by an expert from MMRDA (Mumbai Metropolitan Region Development Authority)

DAY 5: 24th November - Visit various new housing projects in Mumbai followed by an interaction and lecture by Shapoorji Pallonji team. Shapoorji Pallonji is one of the largest conglomerates in India, involved in real estate development, engineering & construction.

NUMBER OF PARTICIPANTS: 40 is the maximum number of participants for this unique Knowledge Tour + Conference

COSTS: The costs for 5 nights hotel, including breakfast and lunches, 2 days of participation in the Conference and 3 days of excursions, will be € 1550. Participants will need to arrange their own flights to Mumbai and back from their country.
